Our approach: have you ever got lost on a major streaming platform without finding what you were looking for? Well, so have we. That's why at www.cinefile.ch we only show films that we think are worth watching, with short reviews to back up our selection.

Our offer: up to 1,000 recent arthouse and entertainment films, as well as classics and a selection of top series. The collection is constantly being extended, and is available for individual rental or via flexible subscriptions. Not to mention our weekly newsletter, which enlightens and entertains.

Your voucher: You can use your streaming credit to rent single films or for one of our flexible Take 1-4 subscriptions. Just register at www.cinefile.ch and enter your voucher code.
